

Clan Galbraith is an entertainment troupe that portrays 16th century (or earlier) Scottish Highland Mercenaries. Our members come from all walks of life and backgrounds, but in each other have found a true family. We are hobbyists who enjoy sharing a little history through our interactions and entertainment of the public at Celtic Festivals, Renaissance Faires and Scottish Games.

Our story: life in the Highlands was never easy, especially in the Grampian Mountains. Due to the constant conflicts in the region, many of our leaders were either killed or deported from Scotland's borders. As a matter of survival as our numbers diminished, we became a mercenary band; even adopting other local "orphans" and outcasts, and arming our women. All able bodied Galbraith must be ready to fight; for it truly was a matter of life or death.
