

Have you wanted to learn how to really use a sword? We all watch the movies that have sword fighting. You will see swords all around the event and now you have a chance to learn how to use different swords as the warriors of old would have.

**Davenriche European Martial Arts School** is a European martial arts school that has been teaching Medieval and Renaissance martial arts since 2000. We offer classes and workshops in longsword, sword and shield and other weapons systems, as well as unarmed combat.
