

Instructions for out of area solo registration

1. Go to www.wuspba.org, click on the membership tab, and then how to join-All memberships. Select the first option which will be online solo/associate/and adjudicator membership registration.
2. This will take you to a page on the WUSPBA membership site www.wuspbamembers.org select the Other Association Soloist Membership. It will say, “You must login to your user profile before purchasing this item.” Click on the link just below that sentence that says, “Click here to LOGIN NOW or create a New Account.”
3. This will take you to the R2 sports login page for the Western United States Pipe Band Association www.r2sports.com. To create a new profile fill in the top section with your first name, last name, and your email address.
4. Once you have created the login you will be asked to fill in information on your profile. There are a couple of required fields that may be difficult to answer; when it asks for branch please select other, when it asks for practice location you may select the test field option as your answer. **Under the heading “PIPING AND DRUMMING INFORMATION” please be sure to select the grade in which you are registered with your home association. Pipers, if you plan to register for both light music and piobaireachd please make sure that a piping grade and a piobaireachd grade are selected.** Once you have completed all the required fields and marked your competition grade(s) click on OK at the bottom.
5. You will be taken back to the WUSPBA member’s site where you can complete your other association soloist registration with WUSPBA. There is no charge for this and should appear as a \$0.00 price. Click on add to cart and then checkout now.
6. Now that you have a profile and membership status in the WUSPBA system you can register for WUSPBA sanctioned events. To register for the Caledonian Club competition at Pleasanton over the Labor Day weekend 2017 please go to the following link: <http://www.r2sports.com/tourney.asp?TID=21766> Click on the register tab. Put in the User ID and Password that you created when you got the other association soloist membership.
7. It will take you back to the profile you just created. You don’t need to change anything on this. If everything is correct click the OK button at the bottom of the page.
8. You will be taken to online entry step 1. Here you will answer two event specific questions: 1. Age as of 9-1-17 2. Please list all bands that show you as a rostered member. Once you have completed these two questions you can continue to step 2.
9. In step 2 you will select the event(s) you want to compete in. It will only show you events you are qualified to register for.
10. You will be asked to confirm your registration and provide payment information.
